

The diagram illustrates the layout of a ship's hull, divided into several sections, each with a specific stat or attribute:

- MANEUVERABILITY**: Located at the top left, associated with a hexagonal icon.
- TACTICAL SPEED**: Located below Maneuverability, associated with a rectangular icon.
- HOVERSAIL SPEED**: Located to the right of Tactical Speed, associated with a rectangular icon.
- BULWARK POINTS**: Located on the left side, associated with an oval icon.
- HULL POINTS**: Located in the center, associated with a rectangular icon.
- ARMOR CLASS**: Located on the right side, associated with a shield icon.

A large, empty rectangular box with a decorative border, intended for a drawing. The border consists of a thin black line with rounded corners and small, light gray shaded areas at the corners and midpoints of the sides.
